UNDER IRRIGATION.

94 acres, 1½ miles from Las Cruces.

N. M., on the Alameda read. This tract adjoins the acreage tract which is now being sold by the Las Cruces Realty Co. It has 75 acres in affalfa, good adobe house, 150 fruit trees now in bearing, a good nursery, 12 horse power gasoline engine connected to 2 40 feet wells which furnish ample water also; connected to the government diversion dam which furnishes water the year round. A fairly good engine house, all of the land under fence and crossed fenced, 6 head of mod horses, 2 good cows, a number of farming implements ample to handle the crop.

This alfalfa is very fine and will yield 5 and sometimes 6 crops per season for the reason that the engine furnishes carly water and late water. This place has every advantage possible for a well improved alfalfa farm and cannot be equaled anywhere in the valley. The price is reasonable, with ½ cash and the balance in 1, 2 = 2 years.

The terms as you can see are very fine, thereby giving the buyer the chance to pay for this place from the crops raised therefrom. Do not delay on this, for if you buy it within 30 days from this date, you will get the first crop, which means \$2000 not to you. See
